

# step into Africa

Dear Messiah College Student,

Over the last several years we are hearing more and more about Africa, HIV/AIDS through politicians, rock stars like "Bono", and philanthropists like Bill and Melinda Gates! It is cool that the world's attention is on this very serious crises.

We at Messiah have a specific chance to do something and play a part in helping people become more aware of this pandemic. Coming to Lancaster this September 20th through September 28, 2007, is the World Vision Experience: AIDS. "LCBC" in Manheim, is hosting this interactive exhibit for a week and is looking for individuals to volunteer.

This amazing walk-through experience takes you on a virtual journey to Africa, where you'll walk in the steps of a child affected by AIDS. This FREE interactive exhibit will open your eyes to the AIDS pandemic through a stirring audio tour combined with captivating photography that will transport you to the heart of Africa..

This Exhibit has been visited by over 30,000 people across the United States! Many hearts are being opened by God's grace to the reality of this pandemic. Will you help us by volunteering?

Volunteers serve three and half hour shifts and can sign up on line by going to [www.worldvisionexperience.org](http://www.worldvisionexperience.org). It is quite simple to register which time of the day and shift that you can help us with! You even get an email confirmation that reminds you of your commitment.

All volunteers will be trained by the World Vision team. You also get to go through the experience as well! We need a total of 391 volunteers. A volunteer can be a greeter, one who helps by handing out headphones, or collecting them, or simply working in the marketplace where people may desire to sponsor a child or learn more about World Vision.

Thank you for considering this opportunity. Your giving of three and half hours of your time may mean the "world" to a child orphaned by HIV/AIDS.

God Bless you!

P.S. Go to [www.worldvisionexperience.org](http://www.worldvisionexperience.org) to register online to be a volunteer!
